## CATCH Power Solar Diverters

CATCH Power is the trading name for Project H Pty Ltd

CATCH Power Products are covered by a **5-year** warranty based on the following terms.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law and the Consumer Guarantees Act of New Zealand. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Project H will bear the cost of parts and labour to repair any manufacturing faults found within the terms and period of this warranty. For claim under warranty faulty product must be returned to Glen Innes, NSW, Australia.

Allowance is made for labour or travelling time required to disconnect or reinstall faulty parts. Project H will pay the cost of freight to return the repaired diverter to the customer within Australia only. The method of freight will be determined by Project H.

All installation and user conditions as set down in the instruction manual must be strictly adhered to as failure to do so may void warranty. Any faults or like faults caused by lightning, water or moisture ingress, vermin infestation, improper voltage, faulty installation, use of the product in a manner for which it is not intended, alterations which affect the reliability or performance of the unit but are not attributable to faulty manufacture, or damage caused by other system components will not be covered under warranty.

In the event of the product being out of service, Project H shall bear no responsibility for any consequential loss or expense. Project H will not be held responsible for any misleading or incorrect information conveyed by anyone not directly employed by Project H.

Products Covered under this warranty are;

- Green CATCH
- CATCH Solar Relay
